

## **STATEMENT OF BUSINESS PRINCIPLES**

Company Law International Ltd declares that as individuals and as a company we will always follow the principles below:

- We are committed to carrying out business fairly, openly and honestly and have a zero-tolerance policy towards bribery.
- We will always act within the law, our authorisation obligations and any other relevant regulations.
- We recognise and respect the benefits of rejecting bribery.
- We are committed to using a fair procurement process for suppliers and to prompt payment of suppliers as agreed.
- We are committed to protecting the confidentiality of client information at all times.
- We are committed to protecting our physical, financial and intellectual assets
- We are committed to managing the company with a high standard of corporate governance
- We will regularly assess the risks bribery by associated parties pose to our business
- Any concerns over fraud, financial impropriety, abuse or any other violation of our business principles should be reported as soon as possible and in confidentiality to a director.
- Failure to comply with the above principles on the part of any individual employee of Company Law International Ltd may ultimately result in disciplinary action up to and including dismissal of said employee.
- All associates, third-party suppliers of ongoing services to the company and other associated parties are required to commit and adhere to our business principles.
