To whom it may concern

We have used Company Law International since 2002. They have provided comprehensive company secretarial services and company law advice for us during that period and continue to do so. This has included the arranging and attendance of Ilana Martin at board and general meetings.

We are very pleased with the service provided by them during this time. They are professional, easy to deal with and very focussed on our needs, both in keeping our records in order and advising proactively on legislation. We have no hesitation in recommending them to other organisations.

Yours faithfully

Henry Arnold
Chairman
